

## Fabio Berz

*B.A. HSG in Law and Economics, Legal intern*

---

Fabio Berz supports our attorneys in various fields of private and commercial law, in particular in the areas of corporate governance, corporate law and contract law.

He received his bachelor's degree (B.A. HSG in Law and Economics, 2022) from the University of St.Gallen, where he is about to complete his master's degree in law and economics. Thanks to his interdisciplinary education in both law and economics and his work in business law firms as well as in a publicly listed industrial company, Fabio Berz combines his legal knowledge with broad economic expertise, which enables him to take a holistic and multidisciplinary approach to problems. During his studies, he spent one semester at the Università di Bologna and one semester at the Universidad Carlos III de Madrid, where he could broaden his cultural horizons and improve his language skills.

In his private life, Fabio Berz is a big football fan; when he is not lacing up his football boots in his free time, he can be found in the stadium watching his favorite team play.
